## Mobile Phone, Smartwatches and/or fitbits and Social Networking

EYFS: 3.4

**Where Fit bits are referenced in this policy, We allow fitbits that only count steps but not ones that can receive calls, texts or take photos.**

At Poulton St Chad's Nursery we promote the safety and welfare of all children in our care. We believe our staff should be completely attentive during their hours of working to ensure all children in the nursery receive good quality care and education. To ensure the safety and well-being of children we do not allow staff to use personal mobile phones, smartwatches and/or fitbits during working hours. We use mobile phones supplied by the nursery to provide a means of contact in certain circumstances, such as outings.

We require our staff to be responsible and professional in their use of social networking sites in relation to any connection to the nursery, nursery staff, parents or children. We ask parents and visitors to respect and adhere to our policy.

Staff must adhere to the following:

- Mobile phones/smartwatches/fitbits are turned off and not accessed during your working hours
- Mobile phones/smartwatches/fitbits can only be used on a designated break and then this must be away from the children
- Mobile phones/smartwatches/fitbits should be stored safely in staffroom at all times during the hours of your working day and can only access them during their breaks
- During outings, staff will use mobile phones belonging to the nursery wherever. Photographs must not be taken of the children on any phones but only on nursery owned tablets.
- When using social networking sites such as Facebook staff must:
  - Not name the setting they work at
  - Not make comments relating to their work or post pictures in work uniform
  - Not send private messages to any parents/family members
  - If a parent ask questions relating to work via social networking sites, then staff should reply asking them to contact the manager either via the manager's phone or via the app FAMILY
  - Ensure any posts reflect their professional role in the community (e.g. no drunken night out pictures or crude comments)
  - Report any concerning comments or questions from parents to the manager/safeguarding lead
  - Follow the staff behaviour policy
  - Not post anything that could be construed to have any impact on the nursery's reputation or relate to the nursery or any children attending the nursery in any way
- If any of the above points are not followed then the member of staff involved will face disciplinary action, which could result in dismissal.

## Parents and visitors' use of mobile phones, smartwatches and social networking

Whilst we recognise that there may be emergency situations which necessitate the use of a mobile telephone, in order to ensure the safety and welfare of children in our care and share information about the child's day, parents and visitors are kindly asked to refrain from using their mobile telephones whilst in the nursery or when collecting or dropping off their children.

We promote the safety and welfare of all staff and children and therefore ask parents and visitors not to post, publically or privately, information about any child on social media sites such as Facebook and Twitter. We ask all parents and visitors to follow this policy to ensure that information about children, images and information do not fall into the wrong hands.

Parents/visitors are invited to share any concerns regarding inappropriate use of social media through the official procedures (please refer to the partnership with parents policy, complaints procedures and grievance policy)'.
